

PRODUCT FEATURES

Layered carbon crystal sheet drawing / Carbon fiber decorative sheet

SOLID CARBON CRYSTAL SHEET

FIRE ICE SHEET

Fireproof, Moistureproof, Antibacterial

New eco-friendly decorative wall panels

Clean Healthcare - Ice Fire Plate

Class A1 fire-resistant, E1 environmentally friendly

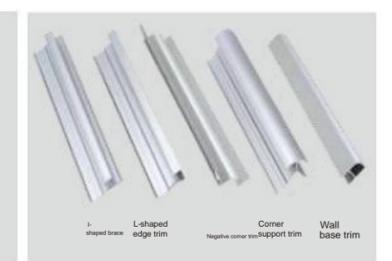

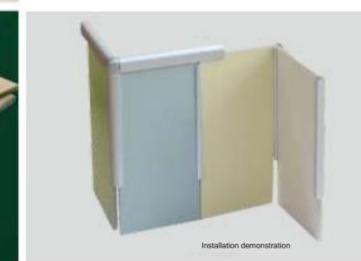

Product information

Product caused

Product name:	Specifications:
Fire sheet	2440*1220mm/3000*1220mm
Thickness:	Color:
6-8mm	Multiple color options available / See color chart for details
Substrate:	Advantages: Safe and environmentally friendly, fire-resistant, waterproof, and durable.
Inorganic cement board	

Application scope: Suitable for public places requiring fire resistance and antibacterial properties such as hospitals, schools, shopping malls, etc.

HONEYCOMB ALUMINUM PANELS

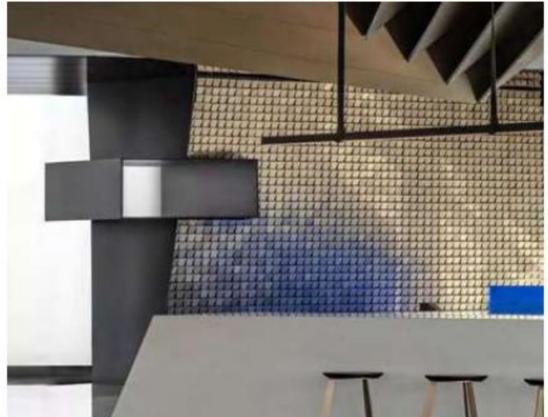

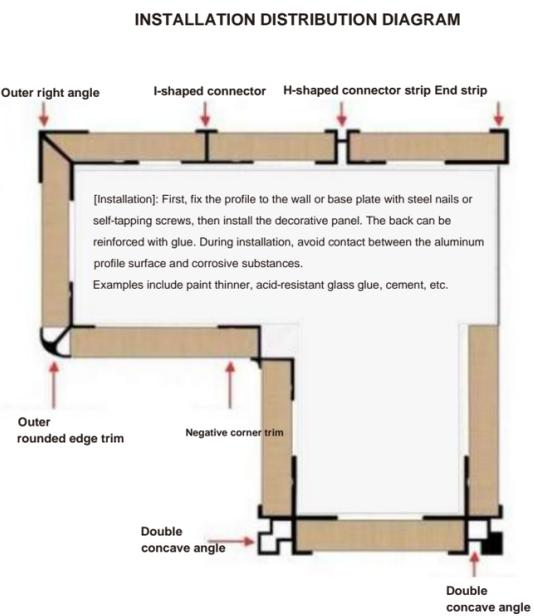

Product information

Product caused

Product name:	Specifications:
Double-sided aluminum SPC honeycomb wall panel	1220*2440mm/1220*2600mm 1220*2800mm/1220*3000mm
Thickness:	Color:
8mm	Multiple color options available / See color chart for details
Substrate:	Advantage:
4 aluminum honeycomb cores	High-strength crystal glass, super impact-resistant, deformation-resistant, no thermal expansion or contraction, thermal insulation, waterproof and moisture-proof, environmentally friendly and formaldehyde-free.

COMBINED WITH ALUMINUM ALLOY TRIM
